BJP Community,

As we come to the end of distance learning for the school year, it is time to start preparing for the summer and next school year!

5th-7th grade parents, please click here to enroll for the 2020-2021 school year by simply clicking Yes or No, next, and then submit.

After much reflection and monitoring of phased reopenings, transportation, and programming, we have decided that **summer camp will be all virtual for 2020** and we look forward to returning to Fairfield and outdoor activities in 2021. Changes have been made to the calendar through August and are final. 8th grade families will receive separate updates when decisions are made about graduation, which have not been made yet.

Camp Montmartre: Virtual Edition! will be held from **July 6th-24th on Mondays, Wednesdays, and Fridays, from 10am-11:30am.**

As outlined in the Family and Student Handbook, camp is MANDATORY for all returning students to BJP. The program will be **live** with teachers and cameras on. Teachers will lead homerooms in book club and academic work and advisories in discussions and games/art activities. Since it is all live online, if you wish to leave the City all you need is an internet signal to stay connected at the correct time. Attendance is required.

When you **return your BJP books on June 16th or 17th, you will receive a bag of books and supplies for the summer camp.** Below is a picture of what you will be taking home (summer books will be returned on the first day of school in September). Don't do anything with these supplies until instructed during the live virtual camp sessions. There will be extra materials for students to do academic work and fun activities in August should you choose to do that on your own.

As we come to the end of summer camp in July, there will be more information about the start of the school year in September. BJP will have offices at 560 Sterling Place throughout the summer. I have attached the uniform menu from Ideal Uniform. We have added some new gear (not required) and colors. Also, with the new building we have a new logo. You do NOT need to purchase clothes with the new logo. Old logo is still accepted. Print the menu for a 10% off coupon and purchase in store or online.

As always, please let me know if you have any questions and continue to stay safe!

Virtual Summer Camp Packet: Pick up June 16th or 17th when you return your books to BJP.
