All,

Out of an abundance of caution to help mitigate the spread of Covid-19, we have decided to close BJP for two weeks. At 3:15pm, BJP will be closed until **March 30th**. A second update will be sent by 2:30pm today and posted on our website.

**It is important to note that no one in our community currently has Covid-19.** As stated in the previous update, this will help to ensure the health of the general population, especially vulnerable communities.

We are busy preparing a longer statement, which will include changes to calendar, reassessment of the situation while closed, and continuation of academic work. Please give us the time to organize all this and check your email again at 2:30pm.
