Bcc:

Parents,

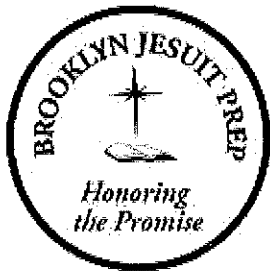

Thank you for your continued patience and understanding as we navigate these strange times together.

BJP will be closed until April 20th in line with NYC Public Schools. We will continue to be in communication with you about future changes as dates have been very fluid. Third marking period will end. Teachers will be inputting current grades into report cards and fourth marking period will be comprised of whatever happens going forward.

In preparation for what could be a very long, extended shutdown, staff will be preparing how to best, without being overwhelming, continue education at home. To that end, please complete this short survey by noon tomorrow so that we can get a sense of what you are working with at home. An update about these plans will go out once it is ready, but such learning will not happen before March 30th.

Finally, if you are able to come to BJP between 7am and noon Tuesday or Wednesday to pick up all your student's textbooks and notebooks, that may be best for future planning. We do not want people on public transit if they can avoid it, so carpool or people who know they live in the same neighborhood would be helpful. We do not want to wait too long before the situation may get even worse. However, I will continue to be at school each morning this week.

If you have any questions, please let me know.

**Gregory Arte**
