Bcc: [REDACTED]

Dear BJP Community,

Yesterday afternoon, Governor Cuomo announced that all schools and non-essential businesses are to remain **closed through Wednesday, April 29th** to help with the continued mitigation of Covid-19.

BJP's calendar on the website ([click here](#)) has been updated to reflect this extension of distance learning. We are meeting constantly about future dates, events, and programs and will only communicate decisions once they have been finalized. You will be updated through the website's calendar, my weekly notes home, and an email to the community.

Thus, we will continue our distance learning as outlined in our Distance Learning Handbook for the month of April. We do NOT have class on 4/10 or 4/13, but are assigning work during what would have been our spring break. This was already communicated back in March. An update to that handbook expanding on the type of assignments teachers can assign through Google will likely come out after the initial three week trial period. *Completing the work on the day that it is assigned, having someone at home look over the work (if possible), making corrections, and fulfilling the video check-ins with each teacher each week helps to ensure good work is done and things don't pile up.*

Please continue to check our website as the hub for the most recent information and content for learning at home.

If you ever have any questions, please let me know.

**Gregory Arte**
