Hello BJP Community,

The disinfection of the building has been completed. In addition, the windows and doors throughout the building were propped open from 9am-3pm with today's cool breeze circulating the air. All reports to the health departments have been made and BJP will continue to follow their guidelines and any other further communication they have with the school.

All classes except 7B will return to in-person instruction on Thursday, January 7th. 7B students should log into the online link on the homework pad between 8:10 and 8:15 and will have their classes as normally scheduled. If students need books, parents can come to pick them up and they will be brought to the front door.

As a reminder, if you get a Covid test, please let BJP know the results so that we can report them and continue our increased monitoring stance during this quarantine time.

As always, let me know if you have any questions.

Gregory Arte
