Hello BJP Community,

We learned this evening that a student in 7B has tested positive for Covid-19. We wish them a quick recovery.

As per our updated plan from after Thanksgiving, **the building will be closed Wednesday, January 6th for disinfection** and reopen on Thursday. No students, teachers, or staff should report to school and classes are cancelled. If you choose to get tested, please send BJP the results for our own contact tracing and our mandated reporting to the state.

This also implements the first of two steps as we monitor the situation. Because homerooms do not interact with each other, 7B will stay at home for the quarantine time period. All other grades will continue in-person on Thursday. If another case of Covid presents itself outside of 7B during the next two weeks, then we will move to the second of the two steps and place the entire school on BJP@Home plan. This is the same as the heightened awareness that we implemented in mid-November.

If you have any questions, I will be available tomorrow after 12pm to take calls and respond to email.
